## General Information

**Prepaid Freight Offer** — The American Shorthorn Breeders' Association is making an offer to prepay up to a maximum of \$200.00 on any carload of animals including ten lots or more purchased in this sale billed to one destination. Your state or community may be able to take advantage of this offer.

**Guarantee** — All cattle sold subject to a sixty-day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. All cattle have been blood tested for Bang's Disease and Tuberculosis within a period of thirty days prior to the sale. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if, after a test in the seller's herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers, because they do not comply with guarantee, will be at buyer's cost of transportation.

**Terms** — The terms of the sale are cash unless arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the Sale Manager, Clerk of the Sale, nor Association assumes any liability legal or otherwise.

**Registration** — A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

All animals in this sale have been tested for Tuberculosis and Bang's Disease and health charts to comply with the regulations of any state will be provided.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

**Mail Bids** — Those unable to attend the sale may send their bids to John E. Robbins, Sale Manager, or to either of the auctioneers.
